

Healthy Fundraisers

Compiled by the Jefferson County Public Schools' Wellness Committee

Set a good example with the school fundraiser! Children get a mixed message when adults tell them to limit consumption of sweets and then given a box of candy bars to sell as a fundraiser. There are lots of other options; choose a fundraiser that promotes a healthy lifestyle!

The information in this brochure is meant as a catalyst to start your creative idea process. Brainstorm with your group and organize a fundraiser that is uniquely suited to your organization.
