

WHITE

OZZIE'S OPTICAL ILLUSION

Look at the basket full of **white** fruits and vegetables. Can you count how many black dots you see?

A FENCE FULL OF FUN!

Read the paragraph below. How many times does the letter F appear?

It's lots of fun to think of ways to help your parents find your favorite fruits and vegetables when you go with them to the grocery store.

COLOR FACT

White fruits and vegetables help kids stay active and fit.
