Students win statewide video competition

Waggener Traditional High students Aaron Grant and Dustyn Nuss won the Best Picture Award in the Kentucky 2010 Reel Action Video Contest.

Aaron and Dustyn's entry competed with more than 100 others created by students throughout the state. The contest required students to create 30-second public service announcements that raise awareness of the dangers of underage drinking.

As grand-prize winners, Aaron and Dustyn were recognized at a red carpet ceremony at Baxter Avenue Theatres and their video was aired on MTV and other national television stations.

Students at several other JCPS schools also won awards in the 2010 competition. All of the winning videos are available on the Web at <http://reelactionky.com/winners.html>.
