SUBJECT: SUPERINTENDENT'S PTA MEMBERSHIP CLUB

DATE: SEPTEMBER 15, 2011

As you know, fall is the season for the 15th District Parent Teacher Association (PTA) membership drive. Regardless of the reasons for your employment with Jefferson County Public Schools (JCPS), the education and well-being of the children we serve are the focus of our business. That's why we are asking you to consider joining the Superintendent's PTA Membership Club. Even if you don't currently have students in JCPS, PTA membership is one definitive way of bringing attention to the cause of public education.

PTA is the largest child advocacy group in the United States, with more than six million members and 23,000 local units. Your membership will help support campaigns at every grade level. We are more than just bake sales and festivals. We provide training for parents and caregivers. We fundraise for our schools. We lobby at the local, state, and national level concerning issues important to education. We provide an army of volunteers to support school and district initiatives.

If you are already participating with the PTA, thank you for your time and support. If not, please take a moment to fill out the enclosed membership form. For a small investment of \$5, you can provide support to all of our Jefferson County public schools.

Thank you for the work you do every day to support our schools, our staff, and our students. They couldn't achieve without you. The PTA looks forward to receiving your membership and to working with you in the coming year.
